

# FALL 2018

## SUSTAINABLE FUTURES SPEAKER SERIES

A panel discussion

### Achieving 5 million zero-emission vehicles in California by 2030: the local perspective

Thursday, October 11

5:30 - 7:00 pm in HSU Siemens Hall 108

The Schatz Center has invited experts in local planning, state regulation, mass transit, and advanced fuel infrastructure development, to share strategies for achieving a zero-emission vehicle rollout on the north coast.

Panelists include:

- Leslie Barood, Air Pollution Specialist, Advanced Clean Cars Branch, California Air Resources Board
- Jerome Carman, Senior Research Engineer at the Schatz Center
- Aisha Cissna, Transportation Specialist at Redwood Coast Energy Authority
- Anthony Harrison, Director of Public Policy at ChargePoint, Inc.
- Keith Malone, Public Affairs for the California Fuel Cell Partnership
- Greg Pratt, General Manager at Humboldt Transit Authority
- and moderator Kevin Fingerman, Assistant Professor in Environmental Science & Management and Faculty Associate at the Schatz Center.

The Sustainable Futures Speaker Series is sponsored by the Schatz Energy Research Center, the Environment & Community graduate program, and the College of Arts, Humanities & Social Sciences at Humboldt State University.
